

Constructed on the former site of the Curzon Cinema on the Ormeau Road, Belfast, the new Curzon Apartments now provide high quality social housing.

Curzon Apartments were built by Kevin Watson Construction and officially opened in July 2010 by Northern Ireland Assembly Minister for the Department for Social Development, Alex Attwood MLA.

For this contract, GlasSeal supplied a range of specialist single and double glazing products to Lisburn based aluminium fabricator/installer Walsin.

Developer **Kevin Watson Construction**

Glazing **Aluminium Casement Windows, Aluminium Shopfronts and Glass Balustrades**

Glass **High performance low-emissivity insulating glass units and toughened glass panels**
